MINUTES OF THE ELEVENTH MEETING OF THE COUNCIL
OF THE ADMINISTRATIVE CONFERENCE OF THE UNITED STATES
STATE DEPARTMENT BUILDING, WASHINGTON, D. C.

Friday, June 29, 1962

MEMBERS OF THE COUNCIL

Judge E. Barrett Prettyman,
Chairman
Mr. Max D. Paglin,
Vice-Chairman
Mr. Manuel F. Cohen
Professor Walter Gellhorn
Mr. Joseph P. Healey
Mr. Everett Hutchinson
Mr. James M. Landis
Mr. John D. Lane
Professor Earl Latham
Mr. Carl McGowan
Professor Nathaniel L. Nathanson

Mr. Webster P. Maxson,
Executive Secretary

Judge Prettyman called the meeting to order at 9:00 a.m. All members of the Council except Professors Gellhorn and Latham and Mr. McGowan were present.

Personnel Actions

Judge Prettyman opened the meeting by asking the Council to ratify certain personnel actions taken by Mr. Maxson since the date of the last Council meeting. They being the hiring of additional staff assistance for the Committee on Rulemaking and the Committee on Information and Education and the termination of Mr. Carlile Bolton-Smith's employment. The Council adopted these actions on motion duly made and seconded.

Designation of Sidney G. Kingsley

As the second item of business, Judge Prettyman reported that the Atomic Energy Commission had requested that Mr. Sidney G. Kingsley be substituted for Mr. John S. Graham as a member of the Conference, Mr. John S. Graham having resigned from his position at the AEC. It was also requested that Mr. Kingsley be permitted to participate in the Fourth Plenary Session on June 29, 1962 although the thirty-day notice requirement had not been met. Mr. Kingsley has attended the Conference meetings and is familiar with the work of the Conference. The Council agreed to the request on motion duly made and seconded.

Request of the Committee on Judicial Review
for Council Opinion on Successor Conference

Judge Prettyman informed the Council of a letter received from the Chairman of the Committee on Judicial Review indicating that the Committee did not know what type of permanent Conference should be established and desired the thinking of the Council on the subject. It was the consensus that this was the problem of the Committee and furthermore the Council had had a thorough airing of their position at the meeting on May 14, 1962.

Substitute Parliamentarian

Judge Prettyman announced that Leonard Braman, the Conference Parliamentarian, was unable to be present for the Fourth Plenary Session and that he therefore requested Mr. Fred M. Vinson, Jr. to act as Parliamentarian for this session. On motion duly made and seconded the Council agreed to this action.

Agenda for the Fourth Plenary Session

The next item of business was a discussion of the Agenda for the Fourth Plenary Session of the Administrative Conference. There was no comment on Items 1 through 5; however, with respect to Item 6, Mr. Lane objected to the use of Conference funds for the Conference Symposium

to be held at the American Bar Association Convention. He did not believe this was contemplated by the President in Executive Order 10934 nor by the budget for the Conference. It was the consensus of the other members that the conducting of symposia was part of the function of the Conference and that it was covered in the budget. Judge Prettyman recalled this very point having come up before the Appropriation Committee and his stating that the Conference may conduct symposia.

Mr. Cohen noted that Governmental agencies conduct symposia to assist and educate the public and that they have a duty to carry out this function. Judge Prettyman believes that it is much more important for the Conference to educate members of the bar concerning the work of the Conference.

Mr. Lane did not object to informing the Conference of the Symposium to be held but he did object to expending Government funds for conducting it. If, however, the Executive Secretary secures approval of the Budget Bureau for this expenditure, he will have no objection whatsoever to the Conference Symposium. The Executive Secretary was therefore directed to obtain an opinion from the Bureau of the Budget on this matter.

There was no comment on Items 7 and 8 of the Agenda.

Regarding Item 9, Mr. Landis questioned whether the Interstate Commerce Commission was for Recommendation No. 14. Mr. Hutchinson indicated he saw nothing useful in the recommendation and thought the object of the Conference was to improve the administrative procedure. It was the consensus that this was only preliminary to a concrete overall study of the administrative process.

There was no discussion of Items 10 and 11.

It was the consensus that Recommendation No. 16 in Item 12 on the Agenda was a wonderful piece of work although some Council members disagreed with some portions of it. All members agreed to a limit of five minutes' discussion on any one item to any one person.

On motion duly made and seconded the Council agreed to the Agenda for the Fourth Plenary Session, as proposed.

Printing and Permanent Binding of all
Published Material for the Conference

As a final item Mr. Landis suggested that inquiry be made to see if some organization would undertake to see that all of the published materials of the Conference be printed and bound into one permanent volume. Mr. Lane was of the opinion that Congress might undertake the task.

Whereupon, the Council adjourned at 9:48 a.m.
